

Are you a professional Youth Worker?

ACHIEVE A BACHELOR OF YOUTH WORK IN LESS THAN TWO YEARS THROUGH VIRTUAL CLASSROOMS

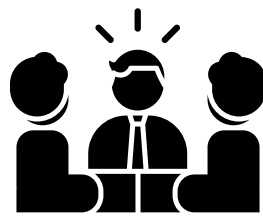

Victoria University (VU) is delivering a Bachelor of Youth Work for Industry Students in 2021

Get recognised for your existing qualifications & work experience

If you've completed the **Diploma of Youth Work** (CHC50413) or the **Diploma of Community Services** you'll get up to one year (eight units) of credit. We'll also provide credits for other relevant qualifications and additional credits for significant skills and work experience in the youth sector.

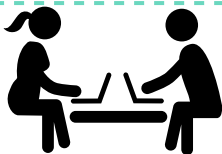

Complete your placement in your current job

You'll complete your placement requirements in your current role in the youth sector so there's no need to take leave from work.

Learn from the leaders in Youth Work education

VU has been delivering Youth Work education for over twenty years. Our Bachelor of Youth Work is the only course in Australia to hold professional accreditation from the National Youth Association in England and the Youth Workers' Association in Australia

Designed for industry students

The course delivery has been designed with full-time industry workers in mind. You'll complete assessments that are relevant to your current work context and will add value to you and your organisations.

Virtual classrooms

Over the two years, you'll participate in [virtual classroom](#) workshops to assist your progress. You will undertake these classrooms from wherever you are based.

For further information or to identify your own individual pathway email:
