YOUTH NETWORK OF TASMANIA

Strategic Plan
2020–2025

OUR VISION
A Tasmania where all young people are valued and can achieve anything.

OUR PURPOSE
To drive positive change with young people and the youth sector in Tasmania.

1 Policy

Goal
Policies affecting young people in Tasmania are relevant, equitable and effective

Strategies
- Support the development and implementation of the Tasmanian Child and Youth Wellbeing Strategy
- Provide evidence-based policy options and solutions to Government
- Provide expert strategic advocacy on issues for young people facing marginalisation

2 Youth participation

Goal
Young people have a voice on issues that matter to them

Strategies
- Embed a range of youth participation mechanisms in policy and program development
- Deliver the Tasmanian Youth Forum
- Support young people to lead advocacy on issues important to them

3 Youth sector

Goal
The Tasmanian youth sector is adaptive, skilled and informed

Strategies
- Deliver the Tasmanian Youth Symposium
- Work collaboratively and flexibly to build the capacity of the youth sector
- Provide the youth sector with current and relevant information and resources

4 Learning organisation

Goal
YNOT is a resilient and thriving organisation

Strategies
- Strengthen organisational viability and sustainability
- Build and grow our membership, culture and performance
- Ensure the Board of Governance is strategic and embodies skilled, contemporary leadership, flexibility, accountability, transparency and stewardship

OUR VALUES

Respect
We respect, listen to, encourage and celebrate the participation of all young people.

Courage
We have the courage to act for a Tasmania where young people are valued and can achieve anything.

Equity
We call out injustice and we are committed to equitable outcomes and opportunities for all young people.

Collaboration
We work with and alongside young Tasmanians and the youth sector.

Integrity
We value honesty and commitment and build trust through our actions.
