

Do you work with young people?
Do you want to better understand online safety
issues for young people?

If so, this FREE training is for you!!

Webinar: Online Safety for Adults who are Youth Leaders

Presented by the Office of the eSafety Commissioner
Senior Education Trainer, Greg Gebhart

Thursday 3 March 2022
1PM - 2PM, Online

This is a free, online 1-hr eSafety presentation suitable for individuals working with young people to better understand online safety issues and their impacts.

This presentation is designed to:

- explore the current technology trends and issues for young people
- examine the online environment and safe online interactions with children and young people
- help manage risks and support young people in a youth work environment
- highlight eSafety resources for youth leaders.
