WHAT IS TYF?

The Tasmanian Youth Forum (TYF) is one of the largest single youth consultative events for young people 12-25 years. TYF is a free event that brings young people together from across Tasmania to contribute their ideas and solutions on matters important to them. Results from TYF are compiled into a report for government and decision makers to help them better understand youth affairs.

The 2022 TYF topic is 'I am Me', providing young people an opportunity to discuss the issues surrounding diversity, equity and inclusion in Tasmania and what supports young people to speak up on matters important to them.

All YNOT staff and adult volunteers hold a valid Working with Vulnerable People registration.

TYF is an initiative of the Youth Network of Tasmania (YNOT), the peak body for young people and the Tasmanian youth sector. TYF is supported by the Tasmanian Government and the City of Launceston.
