

What would make the South East a better place for young people to live?

Have your say!

How you can get involved:

- Complete a short online survey
- Attend a workshop or forum

Share your thoughts and ideas, and you can enter the draw for up to \$2,000 of prizes!*

**Eligibility criteria applies. Visit ynot.org.au for prize draw terms and conditions.*

ynot.org.au

We want to understand what life is like for young people 12-19 years living in the South East and what is needed to help them participate and be actively engaged in our communities.

We want to hear from anyone who lives, works, studies or regularly travels to and uses services or facilities in the Sorell, Tasman and Glamorgan-Spring Bay Council areas.

Public consultation open 19 February – 17 March 2024

The South East Youth
Engagement Project is an
initiative of

ynot
youth network of Tasmania

**TASMANIAN
COMMUNITY FUND**
