

YNOT Membership Application 2025

The Youth Network of Tasmania (YNOT) is the peak body for young people aged 12-25 years and the non-government youth sector in Tasmania. Our vision is a Tasmania where all young people are valued and can achieve anything. We strive to drive positive change with young people and the youth sector in Tasmania.

YNOT members are vital to the future of young people in our State.

When we stand together, our voice is more powerful and young people are more able to be heard on matters important to them.

We know you bring a unique perspective and commitment to young people. When you stand with us, we can provide more compelling stories, generate even more powerful voices and make a difference to the systems and structures that contribute to inequality and disadvantage for young Tasmanians.

Together we can improve outcomes, achieve equality and overcome disadvantage for young Tasmanians.

Together, we can shape a better future.

Stand with YNOT

Join our diverse membership of young people aged 12-25 dedicated to their communities, organisations and groups that benefit young Tasmanians and individuals committed to our vision and principles.

With us YOU CAN:
