APPLY NOW!

We're looking for young Tasmanians aged 12–25 to join our Youth Policy and Advisory Council (YPAC)!

YPAC gives young people the opportunity to help shape YNOT's policy, advocacy and project work, and have a say on issues that matter to them.

Members can build their confidence, leadership, advocacy and communication skills through training, workshops and other opportunities.

YPAC meets online monthly from September 2026 to June 2027, with members receiving \$70 for each standard two-hour meeting.

No experience required — just bring your ideas!
